

# Vedlegg C: Github repository

Vedlagt er all kildekode fra bacheloren. Unntaket er datasettene fra gjennomføring. Kontakt Alexander Sauter for tilgang til disse

[https://github.com/Salgroy/Bachelor\\_Visual\\_positioning](https://github.com/Salgroy/Bachelor_Visual_positioning)

The screenshot shows the GitHub interface for the repository `Salgroy / Bachelor_Visual_positioning`. The repository is public and has 1 branch (main) and 0 tags. The main navigation bar includes links for Code, Issues, Pull requests, Actions, Projects, Wiki, Security, Insights, and Settings. The repository content area shows a commit history with the following entries:

| Commit               | Message               | Author         | Time           |
|----------------------|-----------------------|----------------|----------------|
| 431089e              | now                   | now            | 3 commits      |
| Bachelor_Visual_SLAM | Add files via upload  | now            | now            |
| VisualOdometry       | Add files via upload  | 30 minutes ago | 30 minutes ago |
| .gitattributes       | Create .gitattributes | 19 hours ago   | 19 hours ago   |

At the bottom of the repository page, there is a prompt to add a README file to help people understand the project, with a button labeled "Add a README".
